Subject: Confirmation of Service Agreement

Dear Sir/Madam,

We are pleased to confirm that the document digitisation services described in our proposal dated 1 September 2026 will begin on 20 October 2026. The engagement covers the scanning, recognition and indexing of approximately forty thousand pages of customer records, including forms that mix printed English text with handwritten Nepali annotations.

All work will be carried out on premises. No document will leave the bank's custody, and every recognised file will be checked against its source before delivery. Progress reports will be shared every Friday, and any page that cannot be read with confidence will be listed separately for manual review.

Please find the schedule of rates attached. Should you require any clarification, do not hesitate to contact the undersigned.

Yours faithfully,

Aashik Kumar Mahato
Managing Director
